SUBJECT: INVITATION TO THE NATO MW COE 2nd MOUNTAIN WARFARE CONGRESS 2019

Dear Madam/Sir,

It is my great pleasure to inform you that the NATO Mountain Warfare Centre of Excellence, encouraged by the success of the first congress in 2018, will conduct the second Mountain Warfare (MW) Congress. The congress will take place at the NATO MW COE, Poljče 27, 4275 Begunje na Gorenjskem, Slovenia from 9 to 12 April 2019.

The topic of the second congress is RISK MANAGEMENT, which will provide a deeper understanding of particular issues related to mountain warfare with a scientific, experience-oriented and real-life approach. Our ambition is to develop knowledge and create impulses in dealing with risk management issues and transferring the insights into mountain warfare.

In general, the congress addresses the community of interest in Mountain warfare. The target audience comprises primarily leaders in MW at the level of company commander up to brigade commander.

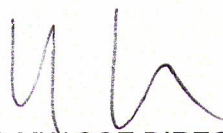

Through this letter, we would kindly like to invite to participate in the event.

Organizational and administrative matters are detailed in Annex C Administrative Instructions & Registration Form. We would like to draw your attention to the fact that participants are responsible for organizing their own travel arrangements and accommodation. The NATO MW COE can offer accommodation in the Centre's premises. Each participant is envisaged to pay the congress fee in the amount of 50 €. The congress fee will cover the costs of food and beverages as well as other admin services provided during the congress at the NATO MW COE.

We are looking forward to receiving your responses.

Yours sincerely,

NATO MW COE DIRECTOR
Colonel Boštjan Blaznik
